Atlanta, Georgia. Find out how Skanska USA's new space offers a healthy, comforting environment for guests, clients, and employees alike. Also, experience how Skanska USA's Atlanta Headquarters serves as a practical green guide.

In our "Green Spaces" section, our online magazine and business resource will also present an online **Q&A between Adam Busch, Co-Publisher and Owner, Green Space Today and Vern Rich, Managing Director, Shawmut Design & Construction**. In this Q&A, discover how Shawmut ((Boston Business Journal rated Shawmut Design & Construction as the Best Place to Work (large company category)), while serving the needs of esteemed clients such as Boston Properties, Inc. among others, has helped to transform one of America's oldest cities-Boston, MA-into a rejuvenated urban center by constructing green, corporate spaces under strong time constraints.

Green Space Today will also present a **national feature on the healthcare market titled The Healthcare Market: Getting Greener Despite Ongoing Challenges!**

In this story, hear from interviewees such as Mark McDowell, The Alter Group's LEED AP Certified Vice President; Donna Jarmusz, Senior Vice President for Business Development and Strategic Initiatives, Alter+Care; John Driscoll, President of Alter+Care; Susan Haifleigh, Director of Sustainability, VFA; Bruce Komiske, MHA, Chief of Hospital Design and Construction, Children's Memorial Hospital; Joe DeVoss, AIA, Assistant Vice President for Capital Transformation, Rush University Medical Center; Michelle Halle Stern, AIA, P.E., LEED AP, Project Manager, Perkins & Will; Mary Larson, Manager of Sustainable Operations, Practice Greenhealth; and Brandi McManus, Global Development Manager & Energy Services Manager, TAC. In this story, find out why hospitals & other healthcare facilities are making sustainable efforts for the benefit of medical staffs, administrators, and patients alike.

Green Space Today's healthcare focus is strengthened with **a key column written by architect John L. Breidenbach, AIA, CSI, LEED AP, CDT, Sustainable Technologies Division, Tremco, Inc.** Learn why the healthcare market is increasingly going green in Chicagoland. In this column, hear from Breidenbach's interviewees that include James Zajac, AIA, Principal in Healthcare for Perkins + Will; John Hinko, Manager of Engineering, Rush University Medical Center; Jack Kenney, Director of Operations, Knickerbocker Roofing and Paving Co. & others.
